

## Safe Towing Checklist

*Check out this quick easy to follow check list to get you on your way safely.*

- ✓ Ensure 12 pin plug is plugged in.
- ✓ Ensure coupling is locked on.
- ✓ Ensure D shackles are connected to the car with chains from the van.
- ✓ Ensure ESC is showing green light. (If applicable)
- ✓ Towing mirrors are on vehicle.
- ✓ Electric brakes set at towing level.
- ✓ Brake away cable is connected to vehicle.
- ✓ Handbrake on van is off position.
- ✓ Roof clips are clipped down. (If applicable)
- ✓ Rear screen camera in car is connected via cable when ignition is off. (Blow a fuse otherwise).
- ✓ Lights are working.
